## Office Hours

Monday to Saturday: 9:00 AM - 5:00 PM

## Testimonial

"The therapist really helps my child develop physical function and behavior. So, my message to parents, don't hesitate to reach out to them."

"I feel that the Doctor is very good at guiding me, how to manage my medical requirements effectively."

Bringing Exceptional  
Home Health Services

*Truelife, Truecare,  
Truecomfort.*

## About TRUELIFE

At TrueLife, we are committed to delivering compassionate, high-quality home healthcare services designed to meet individual needs. Our mission is to provide expert medical care, elderly assistance, rehabilitation and chronic disease management-all from the comfort of your HOME.

## Mission

Transform the home healthcare experience by integrating advanced technology and personalized care. We strive to provide compassionate, comprehensive services that empower patients to thrive at home, fostering well-being, independence, and a sense of security.
